

UPPER HILL MEDICAL CENTRE Venous Disorders Screening Camp

October 6th 2018 Time: 8am-5pm

**DO YOU SUFFER FROM VARICOSE VEINS, SPIDER VEINS OR PHLEBITIS?
DO YOU KNOW SOMEONE SUFFERING FROM SIMILAR CONDITIONS?
DO YOU WORRY ABOUT SHOWING YOUR LEGS IN PUBLIC?**

Upper Hill Medical Centre along Ralph Bunche Road in partnership with Juzo, Biolitec, Servier and Pulse Healthcare will conduct a venous disorders screening camp on 6th October 2018 from 8am to 5pm. This exercise shall be done at a subsidized rate. This fee covers registration, initial assessment, ultrasound and consultation with specialist doctors.

All those with symptoms such as (swollen legs & blood vessels, heavy legs, itching, and skin discolouration) are encouraged to come for the screening. Prolonged stay without medical attention can worsen the condition and even lead to leg ulcers in some cases.
